ALL ABOARD

for the Wednesday Wine Tasting Tour!

Out of over 50 wineries in the Fredericksburg area, we selected two for their quality wines and ambiance. Becker Vineyards is a well-established winery that is one of the first in the area and includes a beautiful lavender farm. The Edge is one of the newest wineries, with great outdoor spaces and a scenic vista overlooking the Pedernales river.

Becker Vineyards winery is a 10,000 square foot facility which is a reproduction of a late 19th century German stone barn, a prevalent style of the Texas Hill Country. Since the vineyard was founded in 1992, three winery expansions have taken place to accommodate 74 fermentation tanks and over 4500 barrels used during the aging process. The 1890's homestead log cabin sits just outside the main tasting room alongside a scenic windmill and water tank. The winery is the largest purchaser of French and American Oak barrels in the state of Texas.

Featured on the Fine Living Channel, and served at The White House, these hand-crafted, award-winning Bordeaux, Burgundian, and Rhone-styled wines are enjoyed with fine cuisine or casual fare. Wine Spectator and countless publications have bestowed endless accolades on their 25 years of viticulture and wine making. They practice a hands-on, people-centered philosophy and Becker Vineyards is proud to be one of the largest contractors of Texas Fruit. The focus will always be the "Wine" the enjoyment is meant to be "Yours" and the pleasure is all "Ours." Participants will tour the vineyard and will participate in 6 tastings and receive a Reidel wine glass.

At The Edge/ The Resort at Fredericksburg, they pair a variety of fine wines from Texas and beyond with unbeatable views – all in a natural setting where you can slow down, let go and just breathe. The Hill Country's newest luxury wine tasting is a destination for visitors to enjoy food, drink and more – all in a setting without equal. Nestled along a peaceful bend in the Pedernales River, it's the perfect place to unwind with wine. A total of five tastings will be offered.
